Landry Rice. 9 year old grandson of Ed & DeAnn Guy. Dealing with some major asthma problems. Has been to Jewish Hospital and they are working with medication to keep it under control.

Melissa Jacobsen. Daughter of Eric & Kay Jacobsen. Past members of our church. Melissa was in an accident on July 2nd where she sustained fractures of the ribs, sternum, and the spine at T4 & T6. No change in prognosis, as she still has no mobility below the ribs. She requires support to maintain an upright position when sitting. Her pain is under good control and she is participating more in therapy. Kay has gone through transfer training so they are hoping to get Melissa out of the hospital setting for short periods. Please continue to pray for Melissa and the family as they make these health adjustments.

Kim Denigan. Jim & Betty Bartlett's niece. Undergoing radiation and chemo for recurring bone cancer. She is currently at the Tulsa Cancer Center for her treatments. Please keep Kim and her husband Dale in your prayers. Pray specifically that she will tolerate the treatments and that her blood count levels stay high enough.

Jean Baughn. Had knee surgery this past week. Pray for a quick and complete recovery.

Missions Corner

Would you be willing sponsor a Plexiglas frame for the missions display?

The missions committee is in the process of moving the missions display from the back corner of the sanctuary onto the north wall of the fellowship hall.

The pictures of the missionaries will be placed in protective Plexiglas coverings. These coverings cost about \$15 each. If you would feel led to help with this, please contact Jim Myers. 10 more frames are needed to be sponsored.

Host families are needed for two missionaries during October Missions Month. Mike Reed needs a host home for Saturday, October 9th. Martin & Sharon Huyett need a host home for Saturday, October 23rd. Please contact Brenda Knapp if you would be interested.

Outreach Opportunities

Operation Christmas Child is just around the corner. This is a good time of the year to be thinking about buying some extra school supplies as you are buying for your own children. School supplies, toys, hard candy, gum, clothing, shoes, toiletry items, books and a personal note from you are all great items to include in your box. Be watching for further details, but start collecting your shoebox items now.

The Awana program begins at Colby Berean on September 15. We'll have a staff training on the 8th. We could really use more people to help in all ages. They include Cubbies (3-5 years), Sparks (K-2); T&T (3-5th grade). We can use both team leaders who will be with the teams throughout the night, and people to listen to sections in both Sparks and T&T if you don't feel you can keep up with the kids all evening. This is the biggest outreach our church does each year and we're not even close to reaching the programs potential due to a lack of workers. There is a place for everyone. If interested please call James Claassen (785 694 1677 or 2621). Thanks!
