50th Anniversary Celebration: September 19, 2010

Things are coming together for the 50th anniversary celebration of our church. Richard Crocker Senior Pastor of the Berean Church in Cheyenne WY and VP of the district fellowship has agreed to be our keynote speaker. Some areas that still need to be covered for the day are:

- Someone to coordinate and head up a light breakfast during the Sunday School time. Items needed are baked goods, fruit & juice.
- Someone to coordinate housing for visitors who will be here for the celebration.

If interested in helping with either of these 2 areas or any other area of the planning, please contact Ron Boller at rcboller464@yahoo.com

Please pass on the word to past members and attendees to come join us for the day. We would love to have them here with us.

There are plans for a baptismal service by the end of summer. If anyone is interested in being baptized, please see Pastor Mark

There will be a commodity distribution on Monday August 9th from 1:00-2:00 pm at the RSVP office in the Senior Progress Center. Questions can be directed to Laura Withington at 462-6744.

It was a warm day on Tuesday during the fair parade and we gave away a lot of water. Thanks to everyone who helped, both by handing out water and by providing the water. It was much appreciated by the people we gave it to and I know it made a difference in people's lives. Please pray now that the seeds sowed will bear much fruit.

Help Wanted

Would you be willing sponsor a Plexiglas frame for the missions display?

The missions committee is in the process of moving the missions display from the back corner of the sanctuary onto the north wall of the fellowship hall.

The pictures of the missionaries will be placed in protective Plexiglas coverings. These coverings cost about \$15 each. If you would feel led to help with this, please contact a member of the mission committee. Thank you!

The Awana program begins at Colby Berean on September 15. We'll have a staff training on the 8th. We could really use more people to help in all ages. They include Cubbies (3-5 years), Sparks (K-2); T&T (3-5th grade). We can use both team leaders who will be with the teams throughout the night, and people to listen to sections in both Sparks and T&T if you don't feel you can keep up with the kids all evening. This is the biggest outreach our church does each year and we're not even close to reaching the programs potential due to a lack of workers. There is a place for everyone. If interested please call James Claassen (785 694 1677 or 2621). Thanks!

Colby Berean Church:

Thank you so much for handing water out the day of the fair parade. I had drank all the water I had with me waiting for the parade to start. Was really nice to have someone handing out water as we started the parade. Please use this donation for water for next year.

Sincerely,
Sherry McDonald
